AURITOR'S CERTIFICATE

I hereby certify that I have examined the accounts of the treasurer, tax collector, and town clerk of the Town of Hart's Location and find them correctly cast and properly vouched for.

M. LOUISE CHICK,
Auditor.

April 26, 1937.

FIRE WARDEN'S REPORT

The Fire Warden reports no fires, no expenses for the year.

JOHN B. McCANN,
Fire Warden.

HIGHWAY REPORT

The State Highway is the old tenth Turnpike and has always been State maintained.

The Town of Hart's Location has just completed its

third and final year of State Aid Construction on the Willey House Station Road. Now that the road is completed and has been accepted by the State Highway Department, it will be maintained by them in the future.

The Sawyers River road was put in shape this year and due to the school bus, is now maintained twelve months of the year, the snow plowing being done by the State Highway Department equipment.

CHARLES H. MOREY, JR.,
Road Agent.

SCHOOL REPORT

No schools maintained; the school tax is raised from the Town at the rate of \$3.50 per thousand, on its total valuation, which amount goes into the State School Equalization Fund of the State School Department and the department takes care of any needed education for this Town, due to the fact that the School District is unorganized.

Valuation is \$65,945.00 making the 1936 tax \$233.66.

This valuation will change during the year 1937 to \$50,489.00 because of land sales to the United States Forestry Department, therefore, lowering the above tax.

TOWN CLERK'S REPORT

1936 — No births, deaths, marriages.

I hereby certify that the above is a true transcript of all births, deaths, and marriages for the year ending 1936.

FLORENCE MOREY,
Town Clerk.
